

**Road Trauma
Support WA**

Are you still affected by a road crash?

If you have been affected by a crash or incident on our roads, sometimes the impact can be long lasting. You may be experiencing fear, anxiety, anger or grief.

Road Trauma Support WA is here to help.

We provide FREE information and counselling services. Our caring counsellors are experts in helping people affected by road trauma.

Our services are available statewide and no referral is required.

**Don't let your trauma have a lasting impact.
